Remarks

One or more photo(s) has been virtually staged. This lovely home in The Oaks Preserve is a must see if you are looking for architectural elements, high ceilings, an open floor plan perfect for entertaining and an outdoor pool area offering privacy and overlooking a nature preserve. Recent updates include new baths, kitchen, flooring, pool and pool deck, a 4 year new roof and a new paved driveway. All living areas have handsome wood floors and/or porcelain tile. The chefs kitchen is equipped with a gas stove, Waterworks faucet, quartz countertops, modern stainless appliances, and wood cabinetry. Enjoy your morning coffee or tea overlooking lush foliage through aquarium glass windows from the breakfast nook adjacent to the kitchen. The family room has new glass doors that tuck back to allow expansive views of the pool and preserve, and they are hurricane rated for peace of mind. The spacious owners suite has two walk in closets, and a large linen closet for storage. There is additional space in the suite to add a sitting area or office, and there are new glass doors that are hurricane rated overlooking the pool as well. The separate studv/office has built in wood cabinetry and plenty of space for a media room. There is a private guest suite with an ensuite bath that has been
